Dear Parents,

Christmas is coming, a time for giving and sharing our blessings with the less fortunate. This year EIS will not organize a community service trip for our Seniors due to pandemic restrictions. However, we still plan to collect donations and send them to 3 schools in the provinces that need our support and help. The three schools are Ban Mae Maem in Chiangmai, Ban Pong Keng School in Saraburi, Ban Don Thong School in Lopburi. These are schools that our Seniors and clubs are committed to providing financial support and donations for this school year.

Many students of these schools are underprivileged or orphans, abandoned by their families, or have special needs. In addition to this, they also have to work in exchange for food and shelter. EIS Seniors and other clubs have decided to support these schools. Ban Don Thong School is aiming to buy a motorcycle with a cart to send students to school. And Ban Mae Maem need to purchase solar panels to provide electricity for the school.

If you are willing to contribute to this cause, we gladly accept your contribution. The current needs are warm clothes for children (sweaters, shoes, etc.), bedding, stationery, household groceries, pampers/nappies, paint for buildings, cash to buy furniture for the library, and to maintain facilities of the school.

For monetary donations, you may pay to the EIS Finance Office to receive a tax-deductible receipt.

Bank: Krung Thai Bank – current account
Account Number: 048-6-02759-7
Account Name Ekamai International School

Please email your transfer slip to kannikai@eis.ac.th. The collection will end on December 7, 2020.

You may bring the other specified items to the Christmas Tree stage in front of Building 1 or the Heritage Building.

Thank you for your support for such an important cause. May God bless you as you consider helping us.

Yours Sincerely,

Sarita Arora
Principal for Student Administration
