January 28, 2021

Dear Parents,

The Ministry of Education made an official announcement dated January 27, 2021, to confirm the reopening of educational institutions in Bangkok and its vicinity to provide teaching and learning services back on campus and strictly comply with the COVID-19 preventive measures prescribed by the Ministry of Public Health.

The school leadership has approved these general guidelines for school-wide implementation.

To strengthen COVID prevention, please strictly follow the following:

- Maintain physical distance of 1 meter or more.
- Wear face mask and face shield at all times while on school campus.
- Check temperature before entering school campus.
- Wash hands with soap and sanitizer frequently.
- If students have a cough, runny nose, sore throat, wheezing, or fever, please do not come to school and inform the Homeroom teacher.
- Parents and visitors will not be allowed inside the campus unless for official school business. All other visits must receive special permission from the Administration.
- We have constructed new toilets between Building 9 and the Administration building.
- The school will discontinue selling food and snacks to parents and visitors. We do not allow parents to sit at the Snack Bar seating area to avoid congestion.
- After-School Activities and Tutoring are canceled until further notice. Students will be required to go home immediately. Parents are requested to pick up their children before 3:00 pm.
