Google

Welcome

0████@eis.ac.th ⌄

Enter your password 👁

Forgot password?   Next

4. You will be prompted with a Welcome message and terms of service to agree. Press Accept to continue.

5. You will be asked to set up a new password for your account.
   **Create a strong password** A
strong password helps you:

- Keep your personal info safe
- Protect your emails, files, and other content
- Prevent someone else from getting in to your account

Meet password requirements

Create your password using 8 characters or more. It can be any combination of letters, numbers, and symbols (ASCII-standard characters only). Accents and accented characters aren't supported.

You can't use a password that:

- Is particularly weak. Example: "password123"
- You've used before on your account
- Starts or ends with a blank space
