

# EKAMAI INTERNATIONAL SCHOOL

## JOB VACANCY

**Position Title:** High School Math Teacher  
**Type of Appointment:** One Year Contract with 3 months probationary period  
**Desired Start Date:** August 1, 2025  
**Closing Date:** June 20, 2025

### Job Overview:

The High School Math Teacher is responsible for delivering high-quality mathematics instruction to students in grades 9–12. This role involves developing lesson plans, teaching classes, assessing student performance, and fostering a positive, engaging learning environment that promotes academic growth. The teacher is expected to support student achievement while integrating values consistent with the philosophy of Seventh-day Adventist education.

**Responsible to:** High School Principal

### Responsibilities:

- Teach mathematics subjects such as Algebra I & II and Geometry (as needed).
- Develop and implement lesson plans in alignment with the school curriculum and academic standards.
- Utilize a variety of instructional strategies to support diverse learning styles and abilities.
- Assess and monitor student progress regularly using both formative and summative assessments.
- Maintain accurate records of student performance and attendance.
- Create a positive and respectful classroom environment that supports spiritual, academic, and social growth.
- Participate in school functions, staff meetings, parent-teacher conferences, and professional development activities.
- Collaborate with colleagues in curriculum planning and interdisciplinary projects.
- Integrate a Christian worldview and moral principles into teaching and classroom culture.
- Support school-wide initiatives and uphold school policies and procedures.
- Maintain communication with parents/guardians regarding student progress and classroom activities.

### Qualifications:

- Bachelor's degree or higher in Mathematics or a related field (required)
- With a 5-year Thai Teaching License
- Experience teaching high school mathematics (minimum of 1–2 years preferred).
- Excellent communication, interpersonal, and classroom management skills.
- Proficiency in using educational technology and digital resources.
- Seventh-day Adventist church member in good standing.
